

Mitta Valley Inc. Community & Business Service

Application for Membership 2019 / 2020

Our Valley, Our Future Community & Business Service commenced operation in August 2016 and is managed and operated by Mitta Valley Inc. Central to the strategic goal of the Our Valley, Our Future Project, the Service aims to become the “go to” professional membership service within the Mitta Valley for commercial businesses and community groups.

Membership is a great investment for the ongoing roll out of funded projects, events and services that commenced during the Our Valley, Our Future project or new projects. The Community and Business Service will also work with active members to identify future project and funding opportunities to continue the growth and prosperity of the Mitta Valley.

Membership includes a wealth of information, training, projects, events, services and a listing in the online ‘Business and Community Directory’ to assist you and the Mitta Valley to prosper. Members will also benefit through advocacy, information and support services.

Membership Benefits

The membership benefits vary depending on your membership category. Please refer to Membership Plan Table for full details.

Fee Structure
